

Louisburg Police Station

209 S. Metcalf Ave., Louisburg, KS 66053

Top Left: The complete interior remodel features attractive and comfortable offices that are well-lit, have ample storage, and were designed for an efficient use of space.

Above: The updated brick and dryvit exterior allows for low maintenance.

Left: The dispatcher's station also serves as a reception desk to greet citizens who walk in for assistance.

Bottom: The spacious kitchen provides space for a quiet break or a good meal.

- 5,750 square feet
- Brick and dryvit exterior
- End use: Police station
